

PARTY MANIFESTO / POLICY FRAMEWORK

1. Democracy, Justice and the Rule of Law: Protect constitutional institutions, civil liberties, access to justice, credible elections, independent oversight and lawful public administration.
2. Jobs, Enterprise and Cost of Living: Promote productive investment, MSMEs, agriculture, manufacturing, digital enterprise, fair taxation, competition and practical measures that raise household incomes.
3. Equal Development and Devolution: Strengthen counties, equitable sharing of resources, infrastructure, water, roads, electricity and balanced regional development.
4. Education, Skills and Youth Opportunity: Improve learning outcomes, technical skills, digital capability, apprenticeships, entrepreneurship and pathways from school to work.
5. Health and Social Protection: Support accessible, affordable and accountable health services and targeted social protection for vulnerable households.
6. Agriculture and Food Security: Improve farmer productivity, irrigation, storage, market access, value addition and resilience to climate and price shocks.
7. Integrity and Public Finance: Strengthen procurement transparency, value for money, debt discipline, audit follow-up, anti-corruption enforcement and citizen access to public information.
8. Women, PWDs, Minorities and Marginalized Groups: Advance substantive inclusion, accessibility, representation, safety, economic opportunity and affirmative measures consistent with the Constitution.
9. Environment and Climate Resilience: Protect forests, water, land and biodiversity while supporting climate-smart agriculture, clean energy and resilient infrastructure.
10. National Cohesion and Security: Promote peace, lawful security services, prevention of political violence, community trust and national reconciliation.
